

# TRANSFORMERS

## CLASS II TRANSFORMERS

**Fig F - End Bell Mount  
Wire Screw Connection**

**Fig G - Foot Mount  
Wire / Circuit Breaker Connection**

**Fig H - End Bell Mount  
Wire Connection**

**Fig I - Foot Mount  
Wire Connection**

**Fig J - Plate Mount  
Wire Screw Connection**

| VA Rating | Primary Voltage | Secondary Voltage | Mounting | Figure Number | Vendor Model | Primary | Secondary     | PARTNERS CHOICE Part Number |
|-----------|-----------------|-------------------|----------|---------------|--------------|---------|---------------|-----------------------------|
| 40        | 120             | 24                | Plate    | J             | T5401        | Wire    | Screw         | 01-0205                     |
